2003 POMOCO Family Movie Series AT BUCKROE BEACH

Bring your friends, family, folding chairs and blankets to Buckroe Beach on Tuesday nights this summer to enjoy free movies. Entertainment begins at 7pm followed by our feature presentation at sunset.

6/17 Hey Arnold! The Movie • G; 76 min.

Based on the popular Nickelodeon television series, Arnold is now on the big screen and must battle a powerful industrialist who moves into town and buys up as much property as he can so he can bulldoze it and build a huge "mall-plex." Arnold and his best friend Gerald must hurry to find the document that can stop the bulldozers.

6/24 Stuart Little 2 • PG; 72 min.

The "littles" member of the Little family is pint sized mouse Stuart. Stuart is back this time as he takes us on a journey through the city with a very reluctant Snowbell, the family cat. Stuart is on a mission to save his new friend, a bird named Margalo, from an evil Falcon.

7/1 The Wild Thornberry's • PG; 85 min.

On an African safari, Eliza Thornberry discovers that thanks to a shaman, she can now talk to animals. When Eliza discovers that poachers in Africa's Serengeti Desert plan to kill an elephant herd with an electrified fence, she and her chimpanzee friend Darwin must somehow find a way to stop them.

7/8 My Big Fat Greek Wedding • PG; 92 min.

Everything in Toula Portokalos's life revolves around her Greek heritage... EVERYTHING. Toula is 30 now and her family wants nothing more than

her to follow the Greek code — to marry a Greek man, to have Greek children, and to feed everyone until the day she dies. When she meets and falls in love with a vegetarian, non-Greek school-teacher, her father is livid and her family is broken-hearted. The two of them must prove that love can overcome any obstacle in this sweetly riotous comedy.

7/15 Spy Kids 2 • PG; 99 min.

The entire cast of the breakout hit Spy Kids are back in another mini-spy adventure. Carmen and Juni Cortez, the amply-abled offspring of super spies Gregorio and Ingrid Cortez once again find themselves with their parents captured and themselves as the solution to the problem. This time around, however, they are challenged by another pair of spy siblings in a race to save the world...and mom and dad!

7/22 Crocodile Hunter: Collision Course • PG; 90 min.

Inspired by the hit television series on Animal Planet, everyone's favorite (if slightly insanel) Crocodile Hunter Steve Irwin once again puts his life on the line when he gets involved in a CIA operation. A crocodile has swallowed a satellite and it is up to Steve to catch the animal and retrieve the evidence.

7/29 Harry Potter & The Sorcerer's Stone • PG; 152 min.

You've read the book...now see it on the big screen. Based on the enormously popular J.K.

Rowling books, this film adaptation follows the adventures of the books' young hero, Harry Potter.

8/5 Harry Potter & The Chamber of Secrets • PG; 161 min.

The world's most popular wizard — Harry Potter — is back in a second adventure. Harry returns for his second year at Hogwarts with his friends Ron and Hermione despite a warning from house elf Dobby that great danger awaits him.

8/12 Spirit: Stallion of the Cimarron • G; 82 min.

This family-friendly animated adventure follows a young mustang's journey through the Old West. Raised in the wild, he encounters Native Americans, settlers, soldiers, and eventually a young mare that becomes his mate.

8/19 Scooby Doo • PG; 87 min.

Scooby Dooby Doo... Where are you? Scooby is up to his usual wacky adventures with the rest of the gang, Shaggy, Fred, Daphne and Velma...and of course they are all toolin' around town in everyone's favorite ride — the Mystery Machine. Scooby and the gang find themselves on Spooky Island, a giant amusement park, where they have to all pull together and solve a mystery.

8/26 Agent Cody Banks • PG; 110 min.

A government agent trains Cody Banks in the ways of covert operations that require younger participants.

Food & beverages available for purchase. Buckroe Beach is located at the end of E. Pembroke Avenue in Hampton. For more information call 727-8311 or go to www.Hampton.gov/parks • Movies are subject to change without notice.

EVENT INFO:

Hampton Blackbeard Festival

Grand Pirate Ball: Friday, May 30th;
Festival: Saturday, May 31 & Sunday, June 1
Mill Point Park and Waterfront

Hampton's most notorious (and deceased) visitor returns in early June each year to re-fight the battle which ended in his demise. Edward Teach, a.k.a. Blackbeard, and his crew of pirates storm into Hampton in a historical interpretation of life in 1718. A favorite of all ages, the festival also features live music, children's activities, vendors and authentic period artisans and craftsmen. The second day of this two-day event is dedicated to raising funds for the American Cancer Society. Admission: FREE

Saturday Night Block Party

Saturdays • 6:00 – 11:00 PM • Queens Way

On Saturday evenings the intersection of King and Queens Way is the site of music, dancing, laughter, smiles and applause as the Saturday Night Block Party invites visitors to enjoy Downtown Hampton. The traditional free admission street fair features an expanded Children's Area and the best local entertainment on the stage with food and beverages available on the street. Admission: FREE

After Work Wednesdays

Wednesdays • 5:30 PM until Sunset
Mill Point Park

A Hampton legend is planning a return after a one-year hiatus. The mid-week concert series made a name for itself with such "before they were famous" acts as The Cherry Poppin' Daddies, Train, Lucinda Williams, Steve Earle, Little Feat and Indigenous, just to name a few. The series hopes to recapture some of the magic it had when it first started several years ago. The site is the cozy, yet comfortable Mill Point Park Amphitheatre on the Downtown Hampton waterfront. Admission: suggested \$2 donation

The Mill Point Jazz Series

Fridays • 5:30 PM until Sunset
Mill Point Park

Hampton has been known for years as a great jazz town and Fridays on the waterfront you'll find soulful vibrations in Mill Point Park. The start to a great weekend, Mill Point Jazz offers the best in both local and regional jazz talent. Both residents and visitors know to grab a blanket or lawn chair and gather in this spectacular waterfront amphitheatre for some great entertainment. Admission: prices will vary with some free shows.

Attention Parents!!

Did you know that participation in positive
activities is one of the 40 developmental assets?

Developmental Assets are the things that all
young people need to grow up successfully.

All kids need assets to grow.

So, review this issue
of *Happenings* with
your children and choose
some activities that:

- ☐ Build skills
- ☐ Make learning exciting
- ☐ Promote positive values
- ☐ Enhance getting along with others
- ☐ Increase feelings of self worth
- ☐ Surround children with caring adults

For more ways to build assets, contact:

Boy Scout Program for Boys with Disabilities

Ages: First grade - 21

The basic premise of Scouting for youth with disabilities is that they want to participate like other boys, and this Scouting program gives them that opportunity.

A Scout with a permanent physical or mental disability may select an alternate merit badge in lieu of a required merit badge, if his disabling condition prohibits the Scout from completing the necessary requirements of a particular required merit badge. The program for Scouts with disabilities will also (1) help unit leaders develop an awareness of disabled people among youth without disabilities, and (2) encourage the inclusion of Scouts with disabilities in Cub Scout packs, Boy Scout troops, Varsity Scout teams, Venturing crews, and Sea Scout ships. Special Needs Scouting will be available for individuals who have: visual impairments, mental retardation, physical challenges, hearing impairments, and learning disabilities. You must register for this program. Call 727-1601.

Therapeutic Recreation Service's goal is to provide opportunities for children and adults with disabilities to participate in recreation and leisure programs in the Hampton Community

They clean it at least five times annually. HCCC loans cleanup equipment to the adopters and provides trash bags and a sign. For information or to sign up, e-mail hccc@hampton.gov or call 727-6394.
- **Yards Are Really Distinctive Showplaces Contest**, April through September. Seeking nominations for beautiful yards nominated YARDS Contest. To nominate a Hampton yard, e-mail hccc@hampton.gov or call 727-6394.

Hampton Clean City Commission
727-6394

The Commission improves and enhances the physical environment of Hampton through beautification and community improvement programs, litter awareness, prevention, and abatement programs, solid waste management education; and urban forestry programs. It also educates citizens and encourages their participation in these areas. Volunteers participate in the Adopt A Spot litter control program; help clean up public areas; work with the schools to encourage activities and programs; encourage clean businesses through the Clean Business Award program; reward residents who have beautiful yards through the Yards Are Really Distinctive Showplaces program; and serve on various committees. Call or email hccc@hampton.gov to become a volunteer.

Please keep Hampton clean & beautiful by taking these simple steps:

Always put trash in its place, even cigarette butts, and encourage those close to you to do the same.

Be careful when placing your garbage & recycling containers at curbside—

make sure everything is secured in bags or otherwise contained so so all the trash goes where it should, and not all over your neighborhood.

Pick up litter when you see it—our city is your home!

Call 311 to report littered areas or to volunteer for city cleanup and beautification activities.

Do your best to keep your residence & your neighborhood clean & beautiful.

*Thank you for joining with us
in keeping Hampton Clean & Beautiful!*

Pollution Taking Hampton Roads Area By Storm

Cheryl Copper

The phrase is coined, minted and in circulation: "From the home front to the waterfront, clean waterways begin with you."

Maybe you heard the phrase in a radio jingle or saw it on a cable tv ad. Perhaps you picked it up on a free rain poncho at a festival exhibit. Local public education folks representing 16 localities have a wealth of information on ways to enrich the environment around you. All the brochures, exhibits, web sites, advertising, mutt mitts and freebies would be worth their weight in gold if the message hit home.

Here's the hard part: the message involves change. That local creek or river nearest you receives storm water that runs off your sidewalk or street. So all the litter—cigarette butts, bottles and fast food

containers—left on the ground drains directly into that waterway. There's no treatment plant to filter out cigarette butts, oil or lawn chemicals, no way to extract the detergents that run into the storm drain when cars are washed in driveways. Without a change in habits, Hampton Roads waters stand to gain the flotsam and jetsam of 1.5 million people. And that really does a number on one of our greatest assets—the Bay and its tributaries.

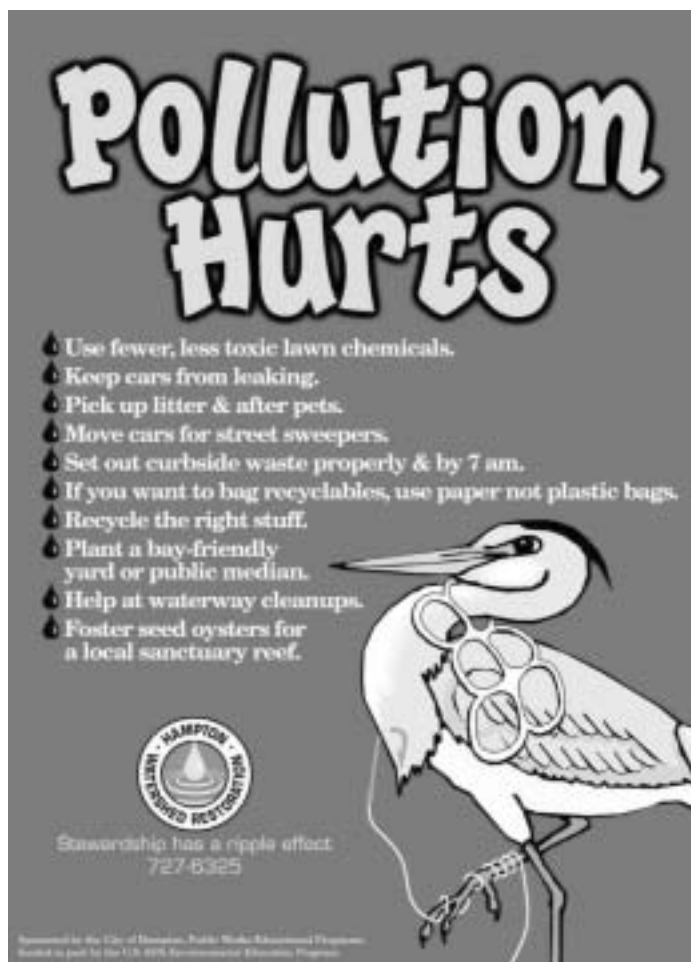

A note on the bright side—there's a growing group of concerned citizens and businesses who care. In Hampton, Hampton Watershed Restoration has done bay-friendly plantings and

workshops, oyster restoration and waterway cleanups. That's something to take to the bank. What kind of a deposit is your street making to that nearby waterway?

Get your two cents in. Drop a tip or pick one up. Check out the city's web site at www.hampton.gov/publicworks as well as HRSTORM, a link at www.hrpdc.org

Cheryl Copper is Environmental Relations Manager for the City of Hampton Public Works Department. The City initiated its storm water management program in 1993, and began the Hampton Watershed Restoration as part of its public education efforts. Nature Park Birthday Parties

New this year, let us help you design a unique Outdoor Nature Park Birthday Party for your child. Themes, options and cost can be explored with our party organizers. 825-4657

Gosnold Hope Park – 850-5116

This park is the destination point of many Hampton residents who come to enjoy the serenity of this 105-acre park. The park offers a variety of settings and amenities for families and individuals. Features include picnic shelters, campsites, a public boat ramp, BMX track, a fitness trail, athletic fields and a children's playground. The park is open year round from 7am to sunset. There are 8 shelters available for rental at a cost of \$10-\$35

Eason Memorial Park

The James E. Eason Memorial Park is a barrier free located on Victoria Blvd. This park offers picnic shelters, a small children's playground and a relaxing walking trail. There are 2 shelters available, the small shelter is free and is first come, first serve. The large shelter is \$20 for half day, \$35 for whole day.

Briarfield Park

Softball players and fans come from surrounding areas to play at this regional athletic park. This 49-acre site plays host to many National Softball Association games and tournaments. The mild climate in Hampton allows this park to be used year round by sport and nature enthusiasts. The park features four lighted softball fields, five lighted tennis courts, picnic shelters and a children's playground. There are 4 shelters available for rental at a cost of \$10-\$20.

The Hamptons Golf Course 766-9148

This course was designed by noted architect Dr. Michael Hurdzan. The Hamptons boast three distinctive nines, each with its own unique qualities. "The Woods" takes you out through tree-lined fairways punctuated by well-bunkered greens. "The Lakes" is perhaps the most scenic of the three nines, and the most challenging. Those beautiful lakes come into play on five of the nine holes. "The Links" nine has Scottish-style mounting pot bunkers and windswept ornamental grasses, dappled with a colorful array of wildflowers. Add to this a large putting green and practice range and the package is complete.
